

## ***SC IDreams Parents' Code of Ethics***

As a Parent of the SC Infinite Dreams youth Organization, all team members are expected to conduct themselves in a manner consistent with a first class AAU basketball program:

**I hereby pledge to provide positive support, care, and encouragement to and for my child participating with Infinite Dreams Youth Organization by following this Code of Ethics:**

€ I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice or other SC IDreams event.

€ I will place the emotional and physical well-being of my child ahead of any personal desire to win. € I will not approach the coaches immediately before or after games or tournaments to discuss my child's participation or performance. (24/48 hour rule)

€ I will refrain from coaching my child or other players during games or practices, unless I am one of the team's official coaches.

€ I will demand a drug, tobacco and alcohol-free sports environment for my child and agree to assist by refraining from their use at all youth sports events.

€ I will remember that the game is for children and not for adults.

€ I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, gender, creed, or ability.

€ I will promise to help my child enjoy the youth sports experience within my personal constraints by being a respectful fan, providing transportation or whatever I am capable of doing. € I understand that this is a competitive program and that there is no guaranteed minimum playing time; therefore, I will help and encourage my child to fully understand this.

€ I understand that the players will develop from competitive team practice including drills and scrimmages, being attentive at games as well as from direct game experience.

€ I understand that fundraising is a requirement to participate in **SC INFINITE DREAMS YOUTH ORGANIZATION.**
